Books for Birthdays

Now is your chance to help support the Hamlin Robinson Library by participating in the Birthday Books program. Through your donation, your child will have the opportunity to choose a book that they wish to donate to the library collection in honor of their birthday. These books are chosen from a special shelf of new titles waiting to be added to the library collection; each selection is unique to each student, and forges a special bond between Hamlin Robinson students and the library that "belongs" to each of them.

All birthday books receive a specialized book plate honoring the birthday student with his or her name and birth date. The students will also present their birthday books to the community at morning assembly during the week of their special day (or half-birthday, in the case of summer birthdays).

To participate in the Birthday Books program, fill out the form below with your child's information and return to the front office with a check for \$18.00. This gift is considered a donation and is tax-deductible.

Thank you for supporting Hamlin Robinson School's library program; it will be appreciated by all who use it.
