Photograph and Publicity Consent Form

Hamlin Robinson School offers a variety of exciting opportunities and enrichment activities for our students. The school is making a concentrated effort to promote the positive activities, honors, and work of our staff and students. We're asking families to help us communicate the many great aspects of our school by allowing us to use images, likenesses, and information in our publications and on our website. Thank you for your support!

Please fill out the form below to inform us of your wishes regarding publicity. Opportunities may arise for various students to be interviewed and/or photographed and identified by classroom and first name only. Please note, however, that your child's image or likeness may appear in occasional candid photos without any type of name identification and the use of these candid photos of your child is permissible. This photo release form does not apply to photographs taken during extra-curricular activities. Students who attend extracurricular activities forfeit their rights to retain authority over the publication of photos taken.
