A Note from the President of the Board, Christina Brinker

Dear Friends,

I have the joy and privilege of saying “thank you” for your generous and vital support of Hamlin Robinson School. Our community of supporters truly are united by a passion for this extraordinary school.

When speaking with families about HRS, words such as transformative, lifesaving, and game-changing are frequently used to describe student experiences. The stories we hear as a Board consistently reaffirm our dedication to ensuring that Hamlin Robinson School’s future continues to shine brightly. We are excited to partner with you in pursuit of our mission and vision, and a shared growth mindset allows us to confidently plan for the future.

This past year, faculty, staff, parents, grandparents, trustees, alumni, and friends made gifts to Hamlin Robinson School through monetary support,

in-kind contributions, and volunteer hours. The 2022-23 Annual Report includes financial contributions made to the school for our fiscal year from July 1, 2022, through June 30, 2023. Through these gifts, our school can increase the number of students and families who benefit from our life-changing educational program.

The impact is evident through the growth of Hamlin Robinson School and the successes of our students. Thank you for making this possible.

With gratitude,

Christina Brinker

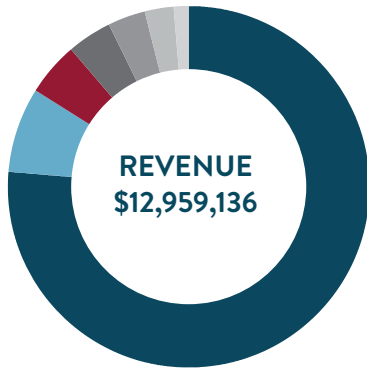

phil·an·thro·py

/noun/
The practice of giving to make life better for other people.
