

Flu & Covid-19

Vaccination Clinic

 Thursday, November 9th, 2 - 6 PM

 Lake Washington Girls Middle School

Hamlin Robinson School, Lake Washington Girls Middle School, Giddens School, and Seattle Girls School, in partnership with Albertsons-Safeway, are excited to host a Flu & Covid-19 Vaccination Clinic on Thursday, November 9th from 2 PM until 6 PM.

INSURANCE

Bring your insurance card and identification with you and arrive 10 minutes before your assigned time.

Please note: Due to changes in coverage for immunizations in the state of WA, state Medicaid insurance, including Molina and Apple Care, do not cover the cost of immunizations for individuals under the age of 19. As we will not have the capability to manage payments during this clinic, we will not be able to serve those covered by state Medicaid plans.

LOCATION & PARKING

Lake Washington Girls Middle School is located at 2100 S Walker Street. There is no on site parking available. There is street parking; please pay attention to street signage and respect our neighbor's driveways.

ENTRANCE TO CLINIC

The clinic will take place in the school gym. The gym entrance is located on 22nd Avenue. There will be no entry to the clinic via Walker Street. There will be plenty of signage and volunteers to direct you.
